About the Syracuse Children's Chorus

The Syracuse Children's Chorus creates collaborative experiences in which young people share their joy of singing, develop their sense of beauty and deepen their commitment to excellence through choral music education and performance. Under the expert leadership of the artistic staff of the Syracuse Children's Chorus, the children contribute to the development of the American choral tradition, performing from Carnegie Hall to China, from London to Los Angeles, serving as Central New York's musical ambassadors to the world. Founded at Syracuse University in 1981 by Barbara M. Tagg, the Chorus is recognized for musical excellence and as a model for performance-based choral music education. The Chorus received the ASCAP Chorus America award for Adventurous Programming in both 2007 and 2002 in acknowledgement of these accomplishments.
